

Template-5

\*This template prints on "B" size paper 11" x 17" (large printers/ plotters recommended) Printer must be set to 100% scale for accurate dimensions.

\*For proper footing/foundation size, we recommend consulting a local Structural Engineer. Improperly designed footing/foundation can lead to unsatisfactory performance.

\*When grouting up to the base of the pole, if necessary, please adjust the bolt projection to accommodate for grouting.
